EXCELLENCE IN EDUCATIONAL ENVIRONMENTS

ABOUT US

Founded in 1992, our company is now a leading full-service distributor of equipment, casework and furniture for K-12 schools, colleges, universities, healthcare providers and commercial offices throughout the Tri-State area.

Depend on us for superior quality furnishings, strict adherence to architectural guidelines and swift turnaround times. We work closely with you and your planning team to ensure we meet all your needs. Our custom millwork facility enables us to respond quickly when your project requires an unusual or unique feature.

H&E Equipment is your total educational furnishings provider. Each member of our experienced, professional sales and project management staff is dedicated to your complete satisfaction.
